

Intellectual Property

Strength and agility in exploiting, protecting and enforcing intellectual property rights is business-critical. Our full-service intellectual property practice combines proven first-chair trial lawyers with true technical specialists to defend our clients' IP interests through:

- Patent litigation before district courts across the country, including the Western District of Texas, the Eastern District of Texas, the District of Delaware, and the Central and Northern Districts of California
- Post-Grant proceedings, including *inter partes* review in front of the Patent Trial and Appeal Board (PTAB)
- Appellate courts and the International Trade Commission (ITC)
- Trademark Trial and Appeal Board (TTAB) proceedings
- [Patent prosecution, counseling and IP due diligence](#)
- Media and entertainment litigation, including leading-edge music and copyright matters
- [Trademark enforcement, prosecution, counseling and IP due diligence](#)
- Trademark, copyright, trade secret and false advertising litigation

Our IP litigators have handled hundreds of complex litigation matters across a diverse range of industry sectors, including most notably life sciences, telecommunications, computer systems, media and entertainment, biotech, consumer products, oil and gas, cosmetics and food and beverage.

Our patent trial lawyers are extremely capable in obtaining the best results for our clients and are not afraid to litigate in the most complicated of cases. For many clients, the at-risk product revenues were in the billions of dollars per case.

MANAGING IP HANDBOOK,
2022

King & Spalding's IP practice has established a reputation as a go-to firm for IP appellate work. Our litigation teams make concerted efforts to include, where appropriate, appellate practitioners before, during and after trial to ensure the best record and the best results for the client.

In trademark and copyright litigation, our lawyers have represented clients in trials and preliminary injunction hearing, practiced in federal courts, the USPTO, TTAB and ITC, and participated in ICANN domain name arbitrations.

Our media and entertainment practice is right at the cutting edge of digital media and traditional media. Our team has particular experience in litigating copyright infringement and antitrust/rate-setting claims in cases involving the distribution of audio and audio-visual media content.

The majority of the team's patent professionals hold technical degrees, with many having industry experience as well.
